Terms and Conditions of Sale

Prices

All prices are subject to change without notice and all taxes are extra, where applicable.

Payment Terms

Our terms are NET 30 Days from date of invoice. All past due accounts will be subject to a 2 % monthly service charge. Any past due accounts will automatically be placed on hold at 60 Days from date of invoice.

Shipping Terms

All shipments are F.O.B. Upward Tool Group, Woodbridge, Ontario, Canada. Shipments valued at \$300 NET will be shipped prepaid to one Canadian destination, via the most economical method. Where specified transportation is requested, shipments will be made on a collect basis.

Claims Against Shipments

Any shortages, overages, or damaged merchandise must be reported within 10 days following receipt of shipment.

Returned Goods

All returned goods require prior approval from Upward Tool Group Inc. Returned goods must be new, of current design, and in good resaleable condition. Credit will be issued at original purchase price, less a 15 % restocking charge. Returned goods must have an original purchase date not more than 1 year from return date. All goods must be returned prepaid.

Product Description

Material, finish or specifications on products offered are subject to change, without notice. Illustrations shown are for reference purposes only and actual products may vary.

Warranty

All products sold by Upward Tool Group Inc. are warranted against defects in material and workmanship. Liability under our warranty, expressed or implied, is limited to replacement or repair of defective product. Warranty returns must receive prior approval from Upward Tool Group Inc., and must be returned for inspection prepaid.

WARNING

Tools can break or shatter. It is recommended that safety glasses and other appropriate safety equipment and precautions be utilized at all times during use or in the vicinity of use.

Handpower has developed high quality chisels forged from high grade English tool steel. All chisels have been carefully heat treated to ensure hard tips and toughness when working on untempered materials. All chisels come complete with painted body and high polished tips. Designed for cutting, shaping and removing metal softer than the cutting edge of the chisel. Each tool is individually packaged in a heavy duty vinyl pouch providing tool protection and high visibility for point of purchase merchandising. Meets or exceeds specification # GGG-C-313c.

Cold Chisels - Standard Length

Part No.	Tool No.	Size	Length	Body	Qty/Pkg
